**I. Bank Account No.** : 0200000121219

Agrani Bank Ltd, Principle Br. Motijheel, Dhaka

**J. Office Space** : 2000 Sft

## **COMPANY OVERVIEW:**

One of our Company's Strongest Personality traits is Commitment. We are committed to our Clients Our Team Members and to each other. Commitment is a trail that all the best and their members must process.

Like most facilities and businesses, the recession met us quickly and dramatically in January 2009. Several Large Projects that was ready to start. Our Backlog was decimated within a matter of weeks and our revenue decreased. It was our commitment to each other and our clients that allowed us to stay together while many companies reduced their staff. We know that our committed staff has been the key to our client's relationships and our exceptional service. So, instead of reducing staff, we found other alternatives to reduce our overhead costs while never sacrificing our commitment to our customers. In fact, we added service and hire new talented people. We strengthened our preconstruction and construction management

services. We accelerated our business development efforts because we new the economy would improve.

We are confident that the year ahead our biggest and best year to date. We are so proud of our entire team. I can't wait to see our results and the satisfaction of our new and existing clients.

## **ABOUT THE FIRM**

**Vertex Engineering & Construction Ltd** is a Limited Company and is one of the leading construction firm with over 08 years' experience in different constructional field.

**Vertex Engineering & Construction Ltd** with its associated concern is one of the largest construction companies in Bangladesh with considerable experience in the following fields:

### **Industrial Buildings**

1. Warehouses
2. Factories
3. Cold Storages

### **Buildings**

1. Commercial Buildings
2. Hospitals
3. Schools
4. Hotels
5. Housing

### **Hydraulic Structures**

1. Jetties
2. Cofferdams
3. Sluice Gates
4. Hydraulic Structure
5. River Control

### **Bridges**

1. R. C. C. Girder Bridges, P.C. Girder Bridges
2. Portable steel Bridges (P.S.B) on Permanent Structure
3. Temporary Bridges
4. Culverts (Single cell/ double cell)

### **Utilities**

1. Sewerage Plants
2. Drainage Systems

3. Water Storage
4. Tube Wells/Deep Tube wells

## **THE TEAM**

At present a group of Engineers are working in-house and project sites with efficiency. A supportive in-house group & project manager, contract manager, site engineers, drafts persons and CAD operators, estimators put their effort to achieve the results in the organization. The supporting professionals in accounts, evaluation and document preparation section fulfill the respective need of the company.

## **PHILOSOPHY**

**Vertex Engineering & Construction Ltd** considers every construction projects either roads or building as an opportunity for new experiments that leads to a creative construction solution. Along with an organized analytical at the same time creative and problem solving team approach, **Vertex Engineering & Construction Ltd** consistently pursue its following goals in all its efforts and projects.

## **SOCIETY**

The practice recognizes and upholds in high spirit the social & civic responsibilities inherent in all Urban & Rural infrastructure.

## **ENVIRONMENT**

The practice prizes highly the crucial role built environment play in achieving a balanced, sustainable environment. It also endorses the responsibility of the engineers to respond to current global concerns.

## **VALUE**

Projects are constructed to fulfill the client's needs and aspirations by maximizing flexibility, efficiency and cost-effectiveness.

## **The RESOURCES**

**Vertex Engineering & Construction Ltd** maintains a library containing a wide collection of engineering books on Monograph, Building types & Design theories, Technical Manuals, Periodicals and Publications. The company continues to acquire the new editions to stay abreast of current trends and practice.

The library contains a wide range of slides that hold our travel experience of various buildings, bridges and road projects all over the world including countries in Europe, America, and Far East South Asia. The video corner is a new inclusion in our resources facilities. It has a good

collection of architectural films and documentation. The CCTV is a modern sophisticated instrument in our resources facilities with full head office area coverage.

## **COMPUTER FACILITIES**

Our Computer facilities started with a single PC in 2009 and now we have Ten Pentium 4 PC. Four Printer (including laser) total LAN network to communicate with the PC's surrounded with each other's environment that provide in house small to large format printing facilities. We also have Scanning, Data back up and online IT facilities. Our success in accounts operating makes us reduced time work, and hazard free problems through our latest and upgraded Accounts Data Base Management Software with vast supportive system. Our new state of art notebook computer facilities a great mobility to the practice.

## **SCOPE OF WORK**

1. CAD Design, Drawings.
2. 3D Modeling
3. 3D Animation
4. Multimedia Presentation
5. Image Manipulation and Processing
6. Web Authoring
7. Graphic Design

## **SOFTWARE WE USE**

1. Office 2003
2. Auto CAD 2004
3. 3D Studio Max
4. Adobe Photoshop and Illustrator
5. Accounts DBMS.
6. Oracle
7. Java (Development Kit)
8. Windows 2010 (Operating System)

## **WORK METHOD**

The office follows the international and national method as per standard practice of construction. The practice has a reputation for through analysis and innovative problem solving. Each project is considered with its individual priorities. Then the construction evaluation continues with the project engineer's involvement. There are regular schedule for construction reviews at which entire team member of the project present the work to the directors for discussion and criticism. This process which continues throughout the Pre-construction and during construction phase and ensures the quality aesthetics and functional efficiency of the final building.

Later the principals and options of a project are presented and debated with the client until the demands and full value potential of the site are thoroughly understood. The practice

believes that the best engineer is created when the client is intimately involved in the design process.

## **SCOPE OF PROVIDING SERVICES**

**Vertex Engineering & Construction Ltd** has over the Ten years gained considerable experience in diverse activities of construction composing of the following field:

To construct Residential Buildings, Commercial Buildings, Sports Facilities, Industrial Buildings, Educational Buildings, Health Facilities Buildings, Institutional Buildings, Urban areas Development, Rural & Village areas Development, Landscapes development work, Roads & Highways Bridges construction, Water supply & Sewerage system Rubber Dam, Slice Gates, River Training river Bank Protective works, Flood bypass Flood Wall Barrage.

## **EQUIPMENT**

**Vertex Engineering & Construction Ltd** owns and operates a large fleet of construction equipment's machinery transport vehicles as per attached annexure, suitable for the needs of its activities.

**Vertex Engineering & Construction Ltd** have in their portfolio works beings executed as Prime Contractors. We are comfortable to work on high value works and we are vigorously exploring this avenue in parallel with our Principal Contracting activities to increase our turnover and also to graduate to the higher bracket of contracting.

The successive Governments are vigorously pursuing reforms policy by liberalization with a view to integrate Bangladeshi Economy with Global economies. Consequently infrastructure sector is attracting massive investments to meet the ever-growing needs of teeming millions the Government of Bangladesh and Foreign Donor Agencies are coming forward with major investments. All this has created construction boom ensuring unlimited scope for right companies to encase on the opportunities. The company has geared up to play its role as a major contributor in infrastructure sector.

## **OUR MISSION & VISION:**

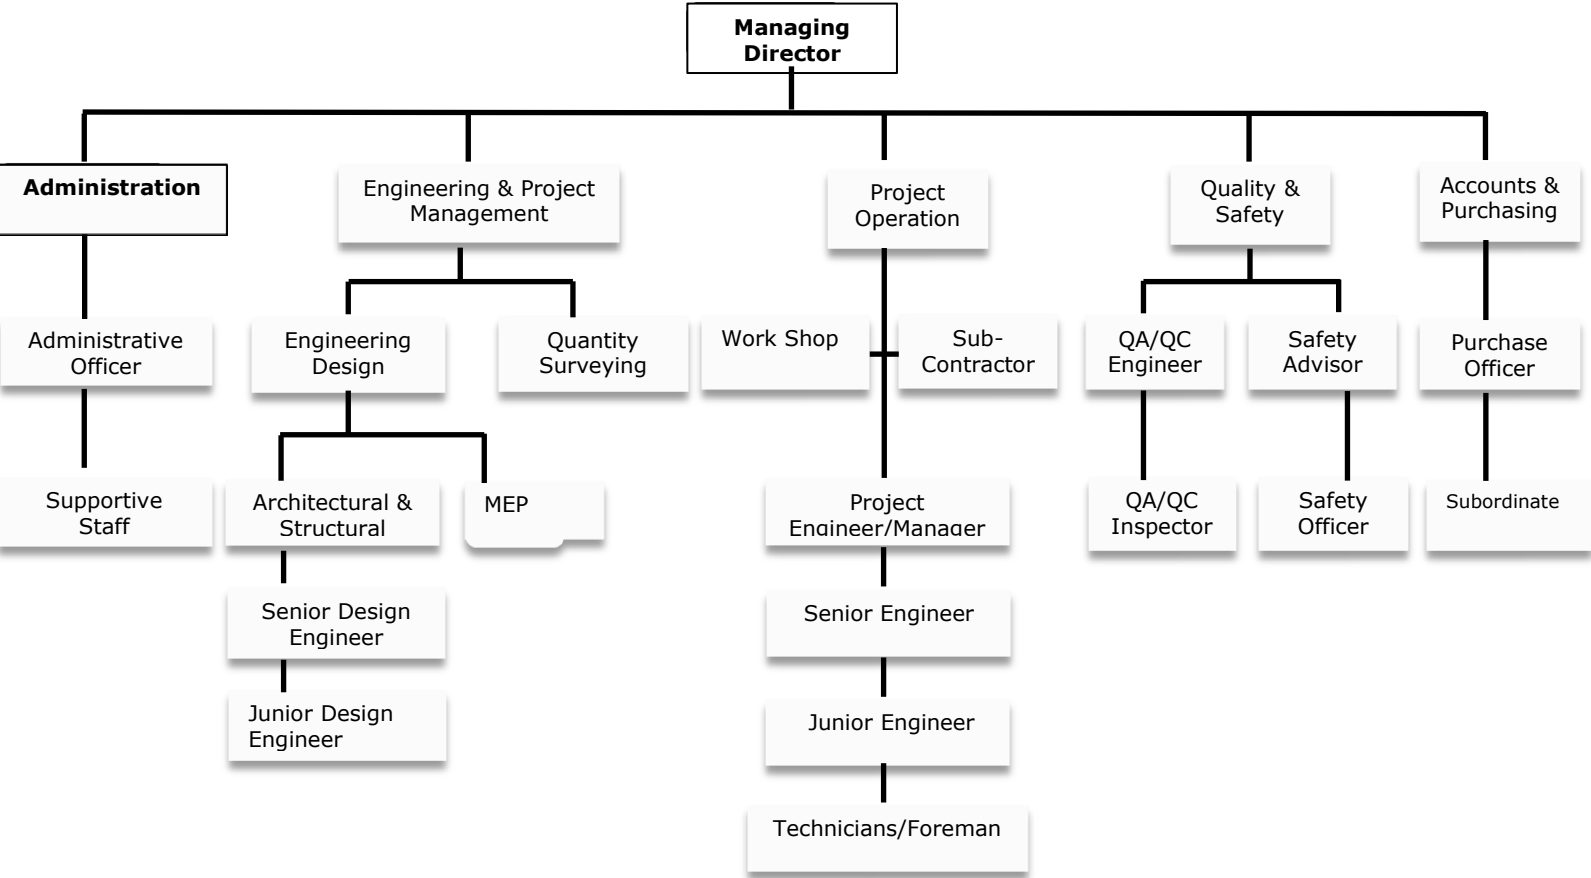

**Vertex Engineering & Construction Ltd (VECL)** is a fully serviced oriented General Contracting firm, established in 2009. We are specialized in Roads, Water Line, Civil works & Under Ground Works (Pitting). Since inception, we have completed over 50 Projects. Our service range is typically throughout all over Bangladesh. Occasionally, we venture even further depending upon the Type of the works and the clients.

**VECL** Considers workers safety to be a first priority, this commitment is enforced by our full time safety director and an emphasis on safety from the management. In addition several of our trained foreman, operators, labors & Engineers

VECL has the registered vehicles and pieces of equipment in feet. Several pieces of major equipment are very unique including the directional drills, excavators with special attachments machines. We have also a full range of earth works, paving and trucking equipment. We have

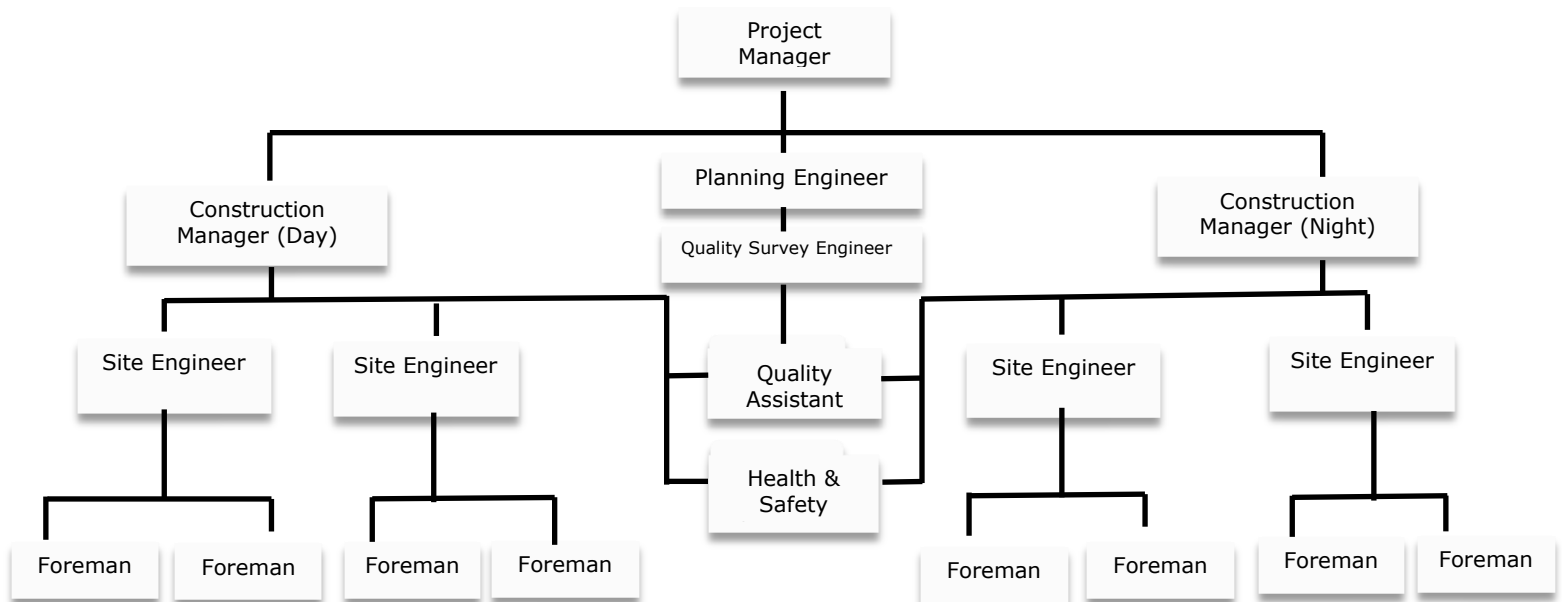

also a variety of especially civil works equipment and experienced staff to handle a wide range of civil construction services. We draws upon its vast background concrete construction, paving & earthworks, all civil construction and bridge repair & construction.

13. Project "Expansion for Extension of Academic Building with Library (Storied with 8 storied foundation) including Ancillary Works" At Mirpur Cantonment.

14.13 Storied +01 Basement Residential Building On Plot No - 20,Road No 13 uttara, Dhaka

## List of Professional and Technical Employees now working in the firm

SI No	Name	Designation	Qualification	Years of Experience	Duration of Services with Firm
1.	Zulfiqour Hyder	Chairman	B.Arch (BUET), MS (MIT, Cambridge, MA, USA)	20 years	2 Years
2	Md. Sayeed Reza	Managing Director	B.Sc in Materials & Metallurgical Engineering, BUET	15 Years	9 Years
3	Mir Mamunur Rashid	Director	M.S.S	12 Years	9 Years
4	Md. Sazedul Hasan Khan	Chief Engineer	B. Sc in Civil Engineering, RUET	20 Years	9 Years
5	Md. Shaheen Aziz	Chief Architect	B. Sc in Architecture, BUET	14 Years	2 Years
6	Hilton Das	Project Manager	B. Sc in Civil Engineering, BUET	13 Years	2 Years
7	Mohammed Burhan Uddin Motayed	Project Manager	B. Sc in Civil Engineering, BUET	15 Years	9 Years
8	Nayeem Zaman	Project Engineer	Diploma in Civil Engineering	7 Years	1 Year
9.	Md. Sohiduzzaman	Project Engineer	Diploma in Civil Engineering	6 Years	1 Year
10	Md. Khairul Islam	Manager	B.B.A in Accounting	15 Years	5 Years
11	Md. Safiul Alom	Business Development Officer	B.Sc Graduate	10 Years	5 Years
12.	Md. Sumon Mia	Accounts officer	B.Sc Graduate	5 years	2 years

13.	Md. Anower	Accounts Officer	B.Sc Graduate	4 Years	2 Years
14	Md. Mizan	Store Officer	B.Sc Graduate	8 Years	4 Years
15.	Md. Rashid Mia	Mechanical Engineer	Diploma in Mechanical Engineering	20 Years	4 Years
16	Md. Rabiul Islam	Electrical Engineer	Diploma in Electrical Engineer	25 Years	5 Years
17.	Md. Asraf	Mechanics	H.Sc	25 Years	5 Years
18.	Md. Hakim Mia	Foreman	H.Sc	20 Years	5 Years
19	Md. Sentu Mia	Foreman	H.Sc	15 Years	5 Years

# **Management Profile:**

## **Zulfiqar Hyder, Chairman of Vertex Engineering & Construction Ltd**

**Objective** : To practice as an Architect and Urban Designer, to serve the community.

**Education** : Masters in Science, School of Architecture and Planning, MIT, 1994. **Cambridge, MA**

Thesis : Organic Cities and Patrick Geddes in Dhaka.

: Bachelor of Architecture, Department of Architecture and Planning, **Dhaka, Bangladesh**

Bangladesh University of Engineering and Technology, Dhaka, Bangladesh, 1987.

Thesis : Dhaka City Museum and Surrounding Area Redevelopm

### **Academic**

**Interest** : Founding member of "Archeworks", the architecture school founded **Chicago, IL**

and organized by Stanley Tigermann in Chicago. Taught one term in the school in the Spring of 1997, as Facilitator (Asstt. Professor), along with Stanley Tigermann.

: Edited the Report on the Pilot Survey of Goadi Mosque, 1992, **Dhaka, Bangladesh** as part of a launching program for Architecture Bangladesh, organized by Chetana. This survey, research, and publication was taken as a model for the future work on architectural

documentation of Architecture in Bangladesh, and subsequently was published as the book called "From Pundranagar to Sher-E-Banglanagar", also published by Chetana.

: Organized the exhibition "Louis I. Kahn and Architecture in Bangladesh" **Cambridge, MA** in conjunction with MIT, during the "International Seminar on Louis I. Kahn", held at MIT, October, 1991.

: Participated in the "International Seminar on Louis I. Kahn", held at MIT, **Cambridge, MA** October, 1991. Jointly organized by MIT and the Aga Khan Program for Islamic Architecture, at MIT and Harvard.

: Participated in the seminar on "Architecture of Cities" held by the Indian **Calcutta, W.B.** Institute of Architects, to celebrate the 300 years of the city of Calcutta, 1990.

: Organized and participated in the seminar and workshop on "Dhaka **Dhaka, Bangladesh** City and Urban Forms", jointly organized by MIT and Chetana, in Dhaka, 1989.

: Organized and Participated in the seminar "Architecture and **Dhaka, Bangladesh** Regionalism", organized by Chetana, Architectural Study Group. Dhaka, 1986.

: Participated in the seminar on "Regionalism in Architecture", **Dhaka, Bangladesh**  
Organized jointly by the Institute of Architects, Bangladesh, and the Aga Khan Program for Islamic Architecture at MIT and Harvard University, Dhaka, 1985.

**Professional** : President & CEO of *Zulfiqar Hyder Architects* since 1999 till today. **Dhaka, Bangladesh** Design, construction supervision, consultant in engineering, planning, study and research in planning and social issues, ventures in real estate development.

: Managing Partner of *ZINC Developers* since 2005 till today. Real Estate Developments, Building Material Manufacturing, and sourcing and supplying of Tiles and Sanitary Wares, Sourcing of other building and construction related activities **Dhaka, Bangladesh**

: Chairman of *COMPAS DE BANGLA* since 2005 till today. Facilitator of of internationally important projects. **Hong Kong** Financing

: Worked as Senior Architect for *Development Design Consultants Ltd.* in **Dhaka, Bangladesh** charge of design and compilation of report, general office responsibilities. 1998-1999.

: Worked as Senior Architect for *Clark/ Borins Associates* in charge of design and compilation of report, general office responsibilities. 1997-1998. **Boston, MA**

: Worked as Architect for *Design, Engineering Services* in charge of design, client contact, bid review and approval, production of construction documents and general office responsibilities. Drawings were produced both manually and on TurboCad. 1997. **Hingham, MA**

: Worked as Architect for *Gundersen Associates* in charge of design, production of construction of documents, review and approval of bid, client contact, and general office responsibilities. All drawings were produced on Micro-Station. 1997. **Salem, MA**

: Worked as Architect for *Jeffrey's and Associates* in charge of design, production of construction documents, client contact, and general office responsibilities, All drawings were produced on AutoCad. 1996-1997. **Chicago, IL**

: Worked as Architect for *Thomas Bakalars Architects* in charge of design, review and approval, client contact, production of construction documents and general office responsibilities. All drawings done on AutoCad. 1995-1996. **Boston, MA**

: Worked as Assistant Managing Editor for *PRESENCE*, A Journal for **Cambridge, MA**

Virtual Environment and Teleportation. The journal was produced and published by the MIT Press, and the editorial office was held within the Sensory Communication Group of the Research Laboratory of Electronics at M I T. Responsibilities included, compilation, selection, and review of articles and papers for publication in the journal. Contact with authors and researchers, networking and research for articles, research group ongoing research in different public and private institutions. Help, motivate and networking possible public and private donors for the Managing Editor in the fund raising drive for the journal. Help the production team with galley and blue line reviews, and general editorial duties. 1993-1996.

## **Professional's Profile**

### **Name of Designation: Chief Engineer**

Name : **Engr.MD. SAZEDUL HASAN KHAN**

Father's Name : Late. Md. Mazedul Islam Khan

Mother's Name : Samsun Nahar Khanam

Contract No : GSM: +8801735836225, Phone: +8802 9262881

Contract Address (Current) : D-38, College Road, East Joydebpur, Gazipur-  
1700, Peoples Republic of Bangladesh.

Contract Address (Permanent) : D-38, College Road, East Joydebpur, Gazipur-  
1700, Peoples Republic of Bangladesh.

E-Mail : [sazedultareq@yahoo.com](mailto:sazedultareq@yahoo.com)

Date of Birth : August 06, 1971

Marital Status : Married

Religion : Islam (Sunni)

Nationality : Bangladeshi

NID no : 3323004136690

Passport no : Z-04 17186

Place of Issue : Barisal

Date of Issue : 07/05/2006

Validity of Passport : 06/05/2016

Valid Driving License : NIL

## Key Qualifications

: Mr. Md. Sazedul Hasan Khan a Graduate of 1996 from Bangladesh Institute of Technology (BIT) Rajshahi in civil engineering is a fellow (F-7206) of The Institute of Engineer's, Bangladesh and over 21 years of experiences as a practicing engineer / **Materials Engineer**/ Quality Control, Particularly with Civil Engr. Field like Roads, Bridges, Flyovers. Water Reservoir, Sewerage Treatment Plant, Metro Rail Station, Palace, Bank Buildings. Operating Business as Proprietor M/S, Safe Developments since 2008.

## Extra Activity

: 15 Days Construction Management Training.

### **HSE Inductions** in Several Projects

: Management System procedure (**MSP**) Training for **QC Plan, Quality Control**, Commercial Claims, Internal Audit for Constructions Procedure, Quality Controls, Quality Assurance and External Technical and Commercial Audit.

: Several field Training to meet with International Construction Standards. Has experience in working of Engineering Design, Planning, and **Material approval. Material Testing**, Project Cost Control. Project Supervisions, **Quality Control** and Quantity Survey Engineering, Technical & Commercial Audit with National and **International Consulting** and contracting firm in home (Bangladesh) and **Oversees (UAE & Oman)**.

His working Projects comprise with Flyover (Dhaka-Bangladesh)/**Mono/Metro Rail** (Palm Jumera-Dubai) , Roads Project (Roads, Bridges and Culvert - Nolka-Hatikamrul- Bonpara new Road Project –Nature, Bangladesh), Building project (Different types of Residential Buildings, five stars Hotel Crowne Plaza Type /Sohar-Sultanate of Oman), The Palace Building (Sohar Palace),

Reservoir Project ( Barka Reservoir/ Sultanate of Oman 130,000 & 230,000 cum Capacity), Bank Muscat HQ Building (Sultanate of Oman), STP construction.(New STP Darsait).

A farther Business and Management skills achieve through SDC, Gazipur) in the field of Engineering and IT Also Computer knowledge of MS office 2000, AutoCAD & Primavera Project Planner (P-3) etc. is also trained in road construction works, maintenance, supervision and quality control, Commercial Management Procedure.

### **Jobs/Service in Brief**

#### **Oversees**

:

May 2008 to date January 2012

: Engineer(Planning/**Materials**/Claims/Quantity Surveyor, for Hotel Development at Sohar, The Palace at Bait Bahjat al Andaar Sohar (May 08 to Feb 09) & Expansion of Barka Reservoirs and Transmission Facilities for Barka. Desalination Plant (Phase 2), Bank Muscat Head Quarter, Airport Heights, Seeb, Muscat , New STP Darsait, Darsait Muscat With Galfar Engineering & Contracting SAOG in Sultanate of Oman.

July 2006 to June 2007

: Senior Engineer/ (**Material Engineer**), for **Mono/Metro Rail Project**) & DURL (Dubai Metro/JT Metro), With Obyasi Corporation and Abdul Mannan Al Haj Contracting LLC of NAKHEEL & RTA Respectively.

#### **Bangladesh**

January 2012 to Date

: **Material Engineer,**

for Construction of Roads and Associate tructures with **Safe Development Corporation** in associate with Vertex Engineering & Construction Ltd.

**Client** : Unique Group.

March 2005 to June 2006 : Field Engineer,(**Materials Engineer**)  
for Rehabilitation of Flood  
Damage Urban Planning & Infrastructure Project 2004,  
With Local Government Engineering Department, Finance  
by Asian Development

June 2002 to March 2005 : Planning & **Materials Engineer**,  
for Construction of **Mohakhali Flyover Project with China  
First Metallurgical Construction Corporation**

Under : Dhaka Urban  
Transport Project (DUTP) of Roads & Highways  
Department Finance by World Bank.

January 2002 to May 2002 : **Material Engineer**,  
Feeder Road Type A, Contract  
No F-1, Kotalipara-Kandi Road Project (RRMP-  
III) With Project Builders LTD

**Client** : RHD Bangladesh Finance by World Bank.

December 1999 to December 2001: Junior Material Engineer (Lab Engineer),  
Nolka- Hatikamrul- Bonpara new Road  
Project (RRMP- III) With Desh updesh Ltd

**Client** : RHD Bangladesh Finance by World Bank.

September 1996 to November1999: Project Engineer,

Residential Buildings in IPSA Gazipur, With Arab  
Bangladesh Construction Limited Finance by IDA.

Education : **Bachelor of Science in civil Engineering,**  
Bangladesh Institute of Technology, Rajshahi  
August 1996.

**Employment Records** :

**Oversees**

EMPLOYER : Galfar Engineering & Contracting SAOG  
P.O.Box.: 533 Muscat, P.C.: 100  
Sultanate of Oman  
Web: WWW. Galfar.com

PROJECT : **Hotel Development at Sohar**

Project Consist of 5 Floors with one lower ground floor in Main Building of 17000 sqm having Suit & King Bed Rooms Kitchen, Banquet Hall, Bar, Laundry, Swimming Pool, 3 no 3 floors Accommodation Building with a Verity of facilities of Sports, Land & Hard Scaping, Internal Asphalt road Paving & Beautification work. **The Palace, Bait Bahjat Al Andaar Sohar,** Project Consist of 23 m High Main Building, One Barrack Building, One Entourage Dining Hall, One Physiotherapy Clinic And Laundry Building.

### **Expansion of Barka Reservoirs and Transmission Facilities for Barka Desalination Plant (Phase 2)**

Project Consist of one 130,000 cum & other 230,000 cum of Capacity, inc Intel/Outlet/ Overflow & Washout Chambers. Different Dia DI & MS pipe & Their Fittings Work. Two nos of Accommodation Buildings.

**CLIENT** : **SAMCO Trading & Contracting Co. LLC**

PO Box. 1160, Ruwi, Postal Code. 112 Sultanate of Oman.

Royal Estates Affairs, Royal Estates, The Palace

PO Box. 68, Ruwi, Postal Code. 111 Sultanate of Oman.

& PAEW, Azaiba, Muscat. Sultanate of Oman

**POSITION HELD** : Engineer (Manager/Planning/**Materials**) Claims/Quantity Surveyor,

**CONTRACT AMOUNT** : \$ 33 M, \$56 M & \$85M

**RESPONSIBILITIES** : Responsible for **Materials approvals, Quality Control**, Calculation and compile of Monthly work done of items with respect to **Quality Control**. Calculation of Variation/ Cost Implication Amount, Certify Subcontractor's Claims and Monthly Claim of Payment Application to Client.

**EMPLOYER** : Obayasi Corporation & Abdul Mannan Al Haj Building Contg. LLC, Dubai, UAE

**PROJECT** : PJMC-JV, (**Mono Rail Project**) & DURL (Dubai Metro), Project consists of 78 nos Pier column With 1.5 m dia piles for mono rail pre cast post Post tension Girders. Metro Consists of 02 nos of **Underground Railway Stations** and other.

**CLIENT** : **NAKHEEL & RTA**

**POSITION HELD** : Senior Engineer/ **Materials Engineer**

**CONTRACT AMOUNT** : \$ 20M & \$ 40M (Subcon Amount)

**RESPONSIBILITIES** : Responsible for **Materials approvals, Quality Control**, Calculation and compile of Timely finishes of all activity In Substructure construction. Calculation & Compile of work

done quantities and Deployment Of manpower as per daily basis. Monthly claim of Payment Application Both Work done & Manpower deployed summary.

**CLIENT** : **UNIQUE GROUP**

POSITION HELD : Project Manager

CONTRACT AMOUNT : \$15 M

RESPONSIBILITIES : Responsible for **Materials Approvals, Quality Control**, Calculation and compile of construction of project and Manage all issue of construction progress, quality And Budget.

EMPLOYER : **Devcon Ltd**, Gulshan, Dhaka.

PROJECT : Rehabilitation of Flood Damage Urban  
Planning & Infrastructure Project 2004.

**CLIENT** : **Local government Engineering Department**,  
Agargong, Dhaka, Bangladesh.

POSITION HELD : Field Engineer

CONTRACT AMOUNT : \$ 85 M

RESPONSIBILITIES : Responsible for **Materials approvals, Quality Control**, Calculation and compile of **Quality Control**, Calculation and compile of Supervision of Different Municipal Road Maintenance and Newly constructed work. Preparation of monthly Progress report and IPC's accordingly.

EMPLOYER : China First Metallurgical Construction  
Corporation, House no 318 1<sup>st</sup> floor,  
Road No. 21

New DOHS, Mohakhali, Dhaka, Bangladesh

**PROJECT** : Construction of **Mohakhali Fly Over**. Project Consists of two approach ramps and 19 spans main Bridge. Three spans consisting post tension Double cells box girder in situ concrete. The other 181 nos of pre cast post tension concrete segment Type with 17.5 m width.

**CLIENT** : **Roads & Highways Department, Bangladesh**

**POSITION HELD** : Q S E & Planning Engineer

**CONTRACT AMOUNT** : \$ 25 M

**RESPONSIBILITIES** : Responsible for **Materials Approvals, Quality Control**, Calculation and compile of Preparation of Budget, Progress Report, Approval of Materials, Quantity Variation and Approval, IPC's with Price Escalations.

**EMPLOYER** : Project Builder's Ltd, Engineers and Builders

692/B, Bara Mog bazaar, Dhaka-1217 Bangladesh

**PROJECT** : Feeder Road Type A, Contract no F-1, Kotalipara-Kandi Road  
**Project (RRMP-** III). Project consists of 17 km Embankment And Asphalt Paving  
**road with 21 nos various Cells Box Culverts & one no of 30 m span Pre Stress Girder Bridge.**

**CLIENT** : **Roads & Highways Department, Bangladesh**

**POSITION HELD** : **Material Engineer.**

**CONTRACT AMOUNT** : \$ 05 M

**RESPONSIBILITIES** : Responsible for **Material Approval, Conducting The Material Tests in Project Lab**, Outside Lab and In the field / Site. Mix Design of Different classes Concrete, Design of Sub base course, Base course Asphalt mix. Test of Re-bar's, Pre Stress Strands Atterberg Limit of Soil, Crushing Strength of Concrete. CBR Value, Proctor Test, Aggregate Impact Value,

Los Angels Abrasion, Maximum Dry Density, Sieve Analysis, Bitumen Extraction Of Asphalt. Maintain Calibration report of Equipment & Machineries.

EMPLOYER : Desh updesh Ltd. House no. 48, Road no. 1

7A-Dhanmondi R/A, Dhaka, Bangladesh

PROJECT : Nolka – Hatikamrul - Bonpara New Road Project

(RRMP- III)

**CLIENT : Roads & Highways Department, Bangladesh**

POSITION HELD : Junior **Material Engineer** (Lab Engineer)

CONTRACT AMOUNT : \$ 15 M

RESPONSIBILITIES : Responsible for **Material Approval, Conducting. The material tests in project Lab, Outside Lab and In the field / Site. Mix Design of Different classes Concrete, Design of Sub base course, Base course Asphalt mix. Test of Re-bar's, Pre Stress Strands Atterberg Limit of soil, Crushing Strength of Concrete. CBR Value, Proctor Test, Aggregate Impact Value, Los Angels Abrasion, Maximum Dry Density, Sieve Analysis, Bitumen Extraction Of sphalt. Maintain Calibration report of Equipment & Machineries.**

EMPLOYER : Arab Bangladesh Construction Ltd

10, Matijheel C/A, Dhaka, Bangladesh.

PROJECT : Construction of Different types of residential Buildings. Project consist of 10 nos of six storied Residential Building. Two nos of Duplex type Building with internal roads and other Infrastructure for associate accommodations

**CLIENT : IPSA, Salna, Gazipur, Bangladesh**

POSITION HELD : Project engineer

CONTRACT AMOUNT : \$ 02 M

RESPONSIBILITIES : Responsible for **Materials approvals, Quality control**, Calculation and compile of construction works. Approval of Construction Drawings. Preparing BBS. Prepare Of Shop Drawing. Calculation of Non Tender Items, Control of Quality & Claim of Bills
